About Me

Hey, nice to meet you! My name is Kevin G Lam! I am a graphic designer born in Montreal, Canada. I am constantly searching for new opportunities that will help broaden my visual scope, hone my craft and love for design and grow as a human and designer. I also enjoy cooking and inventing new recipes, weightlifting, watching anime/cartoons, writing poetry and gaming.

Whether it is to talk about design, potential jobs and projects or just to brainstorm about which herbs would work best in a recipe, I'd love to get to know you better and see what we could cook up together!
